

We Have **Expanded** Stock In Your Future . . .

North America's premier heavy-duty parts wholesale distributor

Did you know?

PM Engine Oil

Did you know that our PM 15W40 is a synthetic blend, not a conventional oil and now carries that indication on the label?

Did you know that there is no danger in mixing synthetic and conventional oil, but you might notice a reduction in performance?

Additional Information Following Link:

<https://blog.amsoil.com/can-i-mix-synthetic-and-conventional-oil/>

Did you know that if a brand of 15W40 oil does not have the symbol (at left), it is not approved and tested by the American Petroleum Institute for meeting all specs?

Strategic locations across the United States—Same day shipping

• Buena Park, CA • Charlotte, NC • Atlanta, GA • Indianapolis, IN • Kansas City, MO
• Denver, CO • Houston, TX • Tulsa, OK • Mechanicsburg, PA • Grand Prairie, TX

On-Line Ordering Capabilities

Visit CCCParts.com or call (800) 843-6452 for more information
