

## Premium Products

- High quality alternative to OEM Brands.
- Custom engineered to meet original specs.
- Detailed inspection process ensures strict quality standards.

# Armada is Expanding Its Fleet of Products!

## Armada Cam Shafts

- Forged with high quality carbon steel for strength and durability
- Induction heat-treated head, journal and spline for improved wear life
- Precision camshaft head for enhanced fit along the curvature to provide consistent brake performance
- Rolled shaft spline for increased durability on the spline contact points to prevent slippage
- Oil free, anti-corrosion packaging for longer shelf life and easier, cleaner installation

### Armada Cam Shafts are backed by a One Year Warranty\*

\*TruckPro warrants each new Armada Cam Shaft to the original purchaser against defects in materials and workmanship when used under normal operating conditions for 12 months from the date of purchase.
