**Did You Know?\***

**Replacing the "Locked Up" Compressor will not solve your A/C Problem**

To protect your 12 month Compressor Warranty and maintain the life of your system, follow these steps:

- Replace the receiver drier/accumulator
- Replace the expansion device(s)
- Replace hose assemblies containing mufflers (cannot be flushed)
- Perform closed loop or open flush on flushable components
- Install a filter kit on vehicles not being flushed
- Use only approved PAG or Ester Oil for R-134a compressor replacement
- Use only R-134a or R-12 refrigerants
- Evacuate entire A/C system for minimum of 45 minutes

Check local locations for availability.
